

DONATION REQUESTS:

**Please complete and mail (address below) or fax both pages of this form to 610-384-1837 at least 1 month in advance.**

Gilding the Greyhound loves all animals and sight hounds in particular. Since its beginning, GtG has donated to any organization that has asked.

As Gilding the Greyhound designs become better known, the requests for donations have increased dramatically and it has become difficult to honor every request, much as we would like to.

In order to honor as many requests as possible, we have had to make some requirements for consideration:

By submitting this form, you represent that you have the authority to make any statements in the form. You agree that all proceeds from our donation will be used for the rescue, medical and/or shelter or foster care and re-homing of domestic pet animals in danger or at risk of medically unnecessary euthanasia and/or that the proceeds will be used for medical research to improve medical care for sight hounds. You agree that your organization is a 501(c) (3) or other qualified non-profit. You agree to return in good condition all descriptive material sent along with the donation that is marked "to be returned." You agree to place a link on your web site to Gilding the Greyhound's web site for at least one year from the date you receive our donation form. Gilding the Greyhound will put a reciprocal link to your web site as part of the donation if you request this.

Please feel free to submit your request for a donation for your non-profit animal rescue or medical research organization's fund raising efforts by providing the following information. Gilding the Greyhound reserves the right to select to which organizations it will donate. If you are not selected this year, please feel free to ask again for your next event. Hint: your purchase (at our usual price) of a Gilding the Greyhound product for furthering your non-profit's work will greatly increase the likelihood of receiving at least one donation of approximately equal value.
